Dear Colleague,

Our membership year runs from July 1 through June 30 and our records show that your membership in NYSALJA has lapsed. Soon you will no longer be able to take advantage of all the benefits of belonging to the Association, including the free CLE opportunities. This includes those from the Practicing Law Institute (PLI).

I noticed that you registered for a PLI course that's coming up soon. In order to avoid a disruption in your ability to attend the class as a NYSALJA member, please take the time to visit our website and complete the [Renewal Application](#) and return it along with your check in the amount of \$85 payable to NYSALJA in the next few days. All instruction details are on the form.

Unfortunately, PLI does not offer us the ability to temporarily "suspend" a member. As a result, your account may be removed from their roster and cannot simply be reactivated. Instead, it will need to be set up again from scratch, including re-entering your attorney registration number(s) and the year of your admission to practice.

If you believe you've received this email in error because you've already renewed, please contact me ASAP to let me know so I may correct our records.

Warmly,

Eric Zaidins
