Dear Former Member:

It's a busy time of year. We're all busy people, and much activity clamors for our attention. Notwithstanding the above, I note your membership renewal has not been received and I find it imperative to urge you to move that little chore to the top of your "to do" list.

A lengthy commercial extolling the benefits of membership is the last thing I'm sure you want to hear you already know for instance that our National Annual Meeting fulfills continuing legal education (CLE) requirements (and the topics might actually be relevant to what you do!); ... that membership automatically extends to include the National Association (NAALJ); ... there is our Law Journal (Journal of the National Association of Administrative Law Judges) published by the prestigious Pepperdine University School of Law, offering in addition to timely and incisive articles, a forum for members to contribute and make their points of view known; ... then there is the three-day ALJ Conference at the Government Law Center of Albany Law School providing premier speakers on topical subjects, and a stellar networking opportunity for attendees. Finally, it goes without saying that your membership in NYSALJA provides a unique ability to improve the stature and respect that we deserve as professionals. (Any resemblance by the foregoing to a commercial is purely coincidental.)

- Get active - meet influential colleagues within your concentration;
- Attend our conferences and seminars;
- Express your perspectives;
- Stay informed on legal issues relevant to what you do;
- Influence the areas of concentration closest to your practice;

NYSALJA is still a growing organization and much work remains to be done. We remain committed to our goals and the integrity of our agenda, but every voice and every member is vital to our success. We need you to continue your membership and you can continue to enjoy the benefits of your membership. Please send in your dues check today. Thank you for your support.

The renewal application for membership can be found at the organization's web site at NYSALJA.ORG. The dues are \$45.00 and cover July 1, 2003 through June 30th, 2004.

WEB SITE: The NYSALJA Web Site became operational at www.nysalja.org on August 1, 2002 and has been regularly updated. Visit often. Please contact any Board Member with suggestions for improvements or additions.

E-Mail: Please make sure that we have your current e-mail address. Using e-mail for notices to the membership reduces our mailing costs. Send your e-mail addresses to Marc P. Zylberberg at mpz01@health.state.ny.us.

If you have any questions, please contact me by e-mail or at (518) 402-0748 [voice] or at (518) 402-0751 [fax].
